 - 7.5.4. Rear sight comprising vertical sight or aperture sight (if they were used in a given type of weapon by default);
- 7.6. **SEMI-AUTO division:** semi-automatic center fire rifle cal.: .222 up to .338 Lapua Magnum. The weapon has to comprise a forward rest in form of a foldable bipod. in case of doubt, the final decision is made by the main referee or the referee who is the chairman of the commission for weapons and equipment control.
 - 7.6.1. SEMI-AUTO division prohibits, to use of rear rests being a part of the default equipment of the rifle as well as additional rests (e.g. bag, monopod) used by the competitors to improve the stability of the weapon
 - 7.6.2. All scopes and sights allowed.
- 7.7. At the firing position, during the scoring, the shooter can only have the indicated in the description of the competition category amount of ammunition necessary for each shooting division. Additional ammunition is not allowed and results in disqualification;
- 7.8. Weapon or ammunition malfunction is a shooter's own concern (extra repair time is not awarded).
- 7.9. In the event of a misfire, the competitor is obliged to report it to the referee by raising his hand and unload only at his command. In justified cases, the referee may allow to choose a different cartridge instead of a misfire.
- 7.10. Weapons carried to the firing positions should be in covers, cases or transport boxes.;
- 7.11. The barrel of the weapon taken out of the cover, case or transport box must be directed towards the bullet trap;
- 7.12. The bolt must be in rearward position, the ammunition – outside the ammunition chamber, the magazine – empty, not attached to the rifle;

- 7.13 Competitor must not use the equipment brought to the shooting spot (covers, cases or transport boxes) to support or stabilize the weapon
- 7.14. Leaving the firing positions with the rifle is possible only after it is unloaded, controlled by the referee and placed in a cover, a case or a transport box. Failure to comply with this requirement results in disqualification;
- 7.15. The course of the rated shootings can be recorded using audio / video devices. These recordings are available only for the referees;
- 7.16. All sorts of inspections and repairs of the weapon can be carried out only in the designated safety zone;
- 7.17. It is prohibited to bring live, blank or dummy ammunition to the safety zone. Failure to comply with this rule results in disqualification;
- 7.18. While moving around the shooting range, the rifle must be in a cover, a case or a transport box;
- 7.19. Ammunition: Using tracer, armor-piercing, incendiary ammunition or other ammunition illicit for sport shooting is totally prohibited;
- 7.20. In disputable cases, the main shooting referee or the main competition referee makes the final decision. His/her decisions are incontestable.
- 7.21. The competitor shoots in selected divisions:
- 7.22.1. At one target according to shooting rules no. 1, 2, 3,4 within competition chosen;
Using only the weapon declared for shooting in the selected competition/division. Using the same weapon for both STANDARD and OPEN is prohibited;
- 7.23. One weapon can be fired by more than one competitor. However, only the first of the group of competitors using the same weapon will be ranked;
- 7.24. The weapons can be leaned/rested (not attached / screwed) on object brought by the competitor other than a bipod. Objects such as backpacks or containers are allowed.
- 7.25. It is allowed to use all kinds of forward rests in the form of bipods attached to the weapon, taking into consideration the rules of individual divisions. This does not apply to weapons used in the HISTORICAL RIFLE category;
- 7.26. It is allowed to use rear rests being a part of the default equipment of the rifle as well as additional rests (e.g. bag, monopod) used by the competitors to improve the stability of the weapon. Does not apply to weapons used in HISTORICAL MILITARY RIFLE and SEMI AUTO;
- 7.27. The forward and rear rest of the rifle must not be connected with anything else but a stock of the rifle;
- 7.28. At the firing position, during the scoring, the shooter can only have the indicated in the description of the competition category amount of ammunition necessary for each shooting division. Additional ammunition is not allowed and results in disqualification;
- 7.29. The competitors are allowed to have spare ammunition during the competition in their own baggage. The competitors' baggage with backup ammunition is located 2m behind the firing positions;
- 7.30. Weapon malfunction is the individual issue of the competitor and additional time for repairs will not be allowed.
- 7.31 In the event of a misfire, the competitor is obliged to report it to the referee by raising his hand and unload only at his command. In justified cases, the referee may allow to choose a different cartridge instead of a misfire.
